Hi Taylor,

I see in an exchange of emails Liliana has had with the National Weather Center that we are scheduled to visit at **4pm on 16 January**. Pat Hyland from the Center has confirmed directly and is expecting us. Probably the best path forward is that we have a chat with you on Friday morning to see if we still need your help with the Innovation Hub (that might also be scheduled already). In any event, I want to thank you for your willingness to help us, and we will look forward to meeting you during our visit.

Regards,

Nathalie

Hi, Nathalie!

Thank you for your email.

I will be attending meetings tomorrow and will have limited access to email. Please feel free to contact me on my cell (405) 593-9129 or first thing Friday morning.

What were you interested in seeing while you're in Norman? I'm a little bit nervous at this point since the University has been closed (due to winter break) and many employees are still on vacation themselves. I don't think we will have any trouble seeing the OU Innovation Hub (although I still haven't heard back from Brandt who would be our "preferred" tour guide) ...and we may have to make special arrangements with the National Weather Center since your visit is less than a week away. Either way, I will work as diligently as possible to get all of this arranged for you. Were there any other "stops" you were interested in?

Thank you again for reaching out! I'll stay on top of this (and my contacts at the iHUB and NWC) as much as I can.

Happy New Year!

Hi Taylor,

We also wish you a Happy New Year! Liliana is still on vacation and returning only tomorrow. We most definitely will seek your support for our visit in Norman next Tuesday afternoon. It looks like we would be departing for Norman at 3:30pm (see attached schedule). We will make sure to speak to you tomorrow to discuss.

Regards,

Nathalie

Good morning, Liliana!

I hope all is well and that the new year is off to a smooth start for you.

I wanted to take a moment to touch base with you. I just got off the phone with Luis earlier today and he mentioned that you might be visiting us here in Norman next week. Unfortunately, I will be out of the office both Monday and Wednesday, but I am entirely available and at your disposal on Tuesday, the 16th, should you need my assistance or want me to accompany you anywhere. If I can

help in any way by putting you in touch with someone or arranging a tour, please do not hesitate to let me know.

Thank you!

Good evening Taylor, I'm writing to you to let you know that we will need to postpone our visit until the new year due to a family emergency on my side and I can't travel. I will get in touch with you to reschedule our visit. I will let you know as soon as I can. Thanks I'm advance for your understanding.

Best,  
Liliana

Liliana,

Thank you so much! Our IT guy got our email up and running again and I just finished confirming with Patrick that he did, in fact, receive your form (and Nathalie's). Thank you for your patience!

Attached you will find our itinerary for Tuesday. My cell number is included on there as well. If anything else comes up, don't hesitate to let me know.

Have a great weekend!

Liliana,

I am working on scheduling your tour of the National Weather Center next week (we are thinking 4:00ish on Tuesday).

Please fill this out (and Nathalie) and send back to me by 3:00 p.m. today if possible! Thank you!

Hi Taylor,

We can do that! Are the two guests listed below the only guests on the tour?

Attached is the NWC Foreign National Visitor form. I need any and all foreign national guests with the tour to complete this form in its entirety and return to me today before 3pm CST to get clearance for the tour.

If you have any other questions, please let me know!

Subject: NWC tour next week

Good morning, Patrick!

Hope all is well with you and that you had a great Thanksgiving last week.

I am emailing you this morning because I was just contacted by Luis (with the EPA)—and his counterpart, Liliana—regarding another tour of the NWC next week. Would it be possible to arrange a very quick tour with you (maybe just a 30-40 minute one) on Tuesday, December 5, at 4:00? I have included the names and citizenships of the clients below:

1) Liliana Paz-Miller (Canadian)

2) Nathalie Daoust (Canadian)

Please let me know at your earliest convenience. Thank you!
